**SUBJECT:** Revised ~ Adult High School Accountability Grades

---

The Office of School Accountability requests revised final placement of adult high schools into grade categories pursuant to 511 IAC 6.3 for the 2018-2019 school year. Public Law 155-2020 extended the hold harmless provision in Public Law 2-2020 to Adult High Schools after the official placement occurred on October 2, 2019. Therefore, it is necessary to revisit the 2018-2019 placement of grade categories for adult high schools.

Upon review, the Department found that the original placement of one adult high school needs updated in response to Public Law 155-2020. The Department recommends the final 2018-2019 placement of the Gary Middle College West be updated to the following grade category:

School ID	School Name	State Grade
1003	Gary Middle College West	No Grade
